SCHEDULE H, PART VI, LINE 2	NEEDS ASSESSMENT A comprehensive, six-step community health needs assessment ("CHNA") was conducted for St Mark's Medical Center (SMMC) by Community Hospital Corporation (CHC) This CHNA utilizes relevant health data and stakeholder input to identify the significant community health needs in Fayette and Lee Counties in Texas. The CHNA Team, consisting of leadership from SMMC, met with staff from CHC on May 9, 2016 to review the research findings and prioritize the community health needs. Five significant community health needs were identified by assessing the prevalence of the issues identified from the health data findings combined with the frequency and severity of mentions in community input. The CHNA Team participated in a prioritization process using a structured matrix to rank the community health needs based on three characteristics. size and prevalence of the issue, effectiveness of interventions and the hospitals capacity to address the need. Once this prioritization process was complete, the hospital leadership discussed the results and decided to address all of the prioritized needs in various capacities through hospital specific implementation plans. The five most significant needs, as discussed during the May 9th prioritization meeting, are listed below. 1. Access to Specialty Care Services. 2. Access to Primary Care Services. 3. Access to Affordable Care and Reducing Health Disparities. A mong Specific Populations 4. Access to Mental and Behavioral Health Care. 5. Prevention, Education and Services to Address High Mortality Rates, Chronic Diseases, Preventable Conditions and Unhealthy Lifestyles SMMC leadership has developed the following implementation plan to identify specific activities and services which directly address the five identified priorities. The objectives were identified by studying the prioritized health needs, within the context of the hospitals overall strategic plan and the availability of finite resources. The plan includes a rationale for each priority, followed by objectives,
